Woodsom Farm is located approximately 35 miles north of Boston in the town of Amesbury. It is best reached by accessing Route 495 and taking exit 54, (**note, exit number may have changed recently**), onto Route 150 headed north. About a ½ mile up Rt. 150 is a traffic light and Highland Street on the left. Take that street to its end and continue straight onto Lion's Mouth Road, ("Friends St."). Woodsom Farm will be about a ½ mile down on the right with the driveway between two white buildings. Continue straight on the driveway, (soccer fields on right and left), and onto the dirt road. The model club will be set up about 200 yards along the dirt road.
