### Important Rules for the Gymnasium

1. Masks are optional.
2. No food or drink in the gym.
3. Sneakers or very soft sole shoes only.
4. Be meticulous in cleaning up your area.
5. Bring your own table and chair. Inspect them so that they are protected and will not scratch the gym floor.
6. All kids must be accompanied by a responsible adult.
7. ALL CONTESTANTS INCLUDING KIDS MUST BE AMA MEMBERS. THERE IS NO EXCEPTION TO THIS. Those with kids can check with the AMA. I believe there is a nominal charge for kids under a certain age.
